UNIVERSITY OF MACAU

FACULTY OF BUSINESS ADMINISTRATION

INFLATION AND STOCK RETURNS

(THE CASE OF HONG KONG)

Maggie Wong Iut Meng

M-98-6127-2

Thesis presented to the

Faculty of Business Administration

University of Macau

In partial fulfillment for granting the MBA Degree

(Banking and Finance)

2004

TABLE OF CONTENTS

CHAPTER I. INTRODUCTION

A. Statement of problem p.1-2

B. Purpose & Objectives of the Study p.2-4

C. Scope of the Study p.4-5

D. Research Methodology p.5-6

E. Organization of Thesis p.6-7

CHAPTER II. LITERATURE REVIEW

A. Topic Area 1 - Inflation and Stock Return

1. Role and Importance of Inflation and Stock Return p.8-10

2. Literature Review of Inflation and Stock Return p.10-16

3. Current State of Knowledge of Inflation and Stock Return p.16-25

4. Hypothesis on Inflation and Stock Return p.25-28

B. Topic Area 2 - Inflation and Economic Activity

1. Role and Importance of Inflation and Economic Activity p.29

2. Literature Review of Inflation and Economic Activity p.29-40

3. Current State of Knowledge of Inflation and Economic Activity p.40-56

4. Hypothesis on Inflation and Economic Activity p.56-57

C. Topic Area 3 - Inflation and Inflation Variability

1. Role and Importance of Inflation and Inflation Variability p.58-59

2. Literature Review of Inflation and Inflation Variability p.59-60

3. Current State of Knowledge of Inflation and Inflation Variability p.61-65

4. Hypothesis on Inflation and Inflation Variability p.65

D. Topic Area 4 – Inflation and Interest Rate

1. Role and Importance of Inflation and Interest Rate p.66-67

2. Literature Review of Inflation and Interest Rate p.67-70

3. Current State of Knowledge of Inflation and Interest Rate p.70-72

4. Hypothesis on Inflation and Interest Rate p.72

E. Summary of the Hypothesis p.73

CHAPTER III. METHOD

A. Topic Area 1 - Inflation and Stock Return p.74-75

B. Topic Area 2 - Inflation and Economic Activity p.76-78

C. Topic Area 3 - Inflation and Inflation Variability p.79-80

D. Topic Area 4 – Inflation and Interest Rate p.81-82

CHAPTER IV. RESULTS & DISCUSSION

A. Topic Area 1 - Inflation and Stock Return p.83-90

B. Topic Area 2 - Inflation and Economic Activity p.91-97

C. Topic Area 3 - Inflation and Inflation Variability p.98-105

D. Topic Area 4 – Inflation and Interest Rate p.106-111

E. SUMMARY OF MAJOR FINDINGS p.112-113

F. LIMITATIONS OF THE STUDY p.114

REFERENCES P.115-121

APPENDIX A. TSPLOT for Inflation Rate p.122

B. Autocorrelation Coefficient Function for Inflation Rate p.122-123

C. ACF Plot for Inflation Rate p.124

D. Partial ACF Plot for Inflation Rate p.124

E. TSPLOT for Inflation Rate with first difference p.125

F. Autocorrelation Coefficient Function for Inflation Rate with first difference p.125-126

G. ACF Plot for Inflation Rate with first difference p.127

H. Partial ACF Plot for Inflation Rate with first difference p.127

I. ARIMA model for Inflation Rate p.128-129

J. TSPLOT for GDP p.130

K. Autocorrelation Coefficient Function for GDP p.130-131

L. ACF Plot for GDP p.132

M. Partial ACF Plot for GDP p.132

N. TSPLOT for GDP with first difference p.133

O. Autocorrelation Coefficient Function for GDP p.133-134
with first difference

P. ACF Plot for GDP with first difference p.135

Q. Partial ACF Plot for GDP with first p.135
difference

R. ARIMA model for GDP p.136-137
