(M-98-6733-5)

2002

TABLE OF CONTENTS

ACKNOWLEDGEMENT			i
LIST OF TABLES			ii
Chapter 1	Introduction		1
	1.1	Objective of Study	4
	1.2	Organization of Study	5
Chapter 2	Data Collection		
	2.1	Interview	6
		2.1.1 Selection of Interviewees	6
		2.2.2 Process of Interview	7
Chapter 3	Development of Garment Industry in Macao		
	3.1	Importance of Manufacturing Sector in Macao	9
	3.2	Importance of Garment Industry in Macao	10
	3.3	Development Process of the Garment Industry	11
		3.3.1 Initial Stage	16
		3.3.2 Development Stage	18
		3.3.3 Booming Stage	19
	3.4	Internal and External Factors Boosting the Development of Macao's Garment Industry	23
		3.4.1 Domestic Factor	26
		3.4.2 International Factor	28
		3.4.3 Hong Kong Factor	29
		3.4.4 China Factor	31
		3.4.5 Portugal Factor	32
	3.5	Slow Down of the Garment Industry	32

Chapter 4 Factors Affecting the Industrial Transformation of the Garment Industry

4.1 Social Changes 35
4.2 Economic Changes 38
4.3 Political Changes 40

Chapter 5 SWOT Analysis of Garment Industry In Macau

5.1 Strength

5.1.1 Privileged geographic location 43
5.1.2 Special relations with European Union and Portuguese speaking countries 45
5.1.3 Communication and Co-ordination Mechanism Established with Mainland China 47
5.1.4 Free Entrepot and Low Taxation 49
5.1.5 Policy on Labour Input 50
5.1.6 Experience of Quick Response 51
5.1.7 Low operating cost 52
5.1.8 Government support in quality assurance 53

5.2 Weakness

5.2.1 High labor cost 56
5.2.2 Lack of Professionalism Engaged in the Service Related Sectors 57
5.2.3 Cost of Infrastructure Facilities 58
5.2.3.1 Supply of power 59
5.2.3.2 Supply of water 60
5.2.3.3 Telecommunications 60
5.2.4 SME-dominated Industrial Structure 62
5.2.5 Reliance on Orginal Equipment Manufacturing (OEM) 62

5.3 Opportunities

5.31 Go West Programme 64
5.32 Macao's Positioning as Regional Service 66

Centre
5.33 China's Accession into WTO 68

5.4 Threat

5.41 Phasing out of Quota in 2005 70
5.42 Economic Recession of U.S. 72
5.43 Emergence of Trade Blocs 74

Chapter 6 Strategies for the Future Development of Macao's Garment Industry

6.1 Developing Macao's Garment Industry by Following the Linkage of China Mainland's Production and Macao's Marketing 77
6.2 Technological Upgrading Required for Competitiveness 79
6.3 More Practice on the Design Function 82
6.4 Brand Name Creation 85
6.5 Moving Towards Value-Added Development 87
6.6 Offshore Production 88
6.7 Supply Chain Management 90
6.8 Selling in the Mainland Market 92

Chapter 7 Findings & Conclusion

7.1 Findings 94
7.2 Conclusion 98
