

Application of Linear Programming in Sudoku

by

Leong Fu Fai alias Leong Chan Meng

Master of Science in Mathematics

2006

**Faculty of Science and Technology
University of Macau**

CONTENTS

CHAPTER 1: Linear Programming.....	1
1.1 Introduction to Linear Programming.....	1
1.2 Canonical and Standard Forms.....	1
1.3 Fundamental Theorem of Linear Programming	3
1.4 Simplex Method and Feasible Canonical Form.....	6
CHAPTER 2: Linear Programming in Solving Sudoku Puzzle.....	12
2.1 Sudoku Puzzle	12
2.2 Formulation of Sudoku Puzzle into Linear Equations.....	13
2.3 Sudoku Matrix and Sudoku Linear System	20
2.4 Solving Sudoku Puzzle with Linear Programming	23
2.5 Criteria about the Solvability of Sudoku Puzzle.....	26
2.6 Combinatorial Linear Programming and Main Results.....	30
CHAPTER 3: 3-Dimensional Sudoku Puzzle	40
3.1 Introduction of 3-Dimensional Sudoku Puzzle.....	40
3.2 Formulation of 3-Dimensional Sudoku Puzzle as Linear Equations.....	41
3.3 Formulation of 3-Dimensional Sudoku Puzzle as Linear Programming.....	50
3.4 Solving 3-Dimensional Sudoku Puzzle with Linear Programming.....	52
BIBLIOGRAPHY.....	58
