

**MASTER THESIS OF FACULTY OF LAW**

**UNIVERSITY OF MACAU**

**International Regulation of Government  
Procurement and the Evolution in China**

**SUPERVISOR:**

**PROF. MURUGA PERUMAL RAMASWAMY**

**STUDENT NAME:**

**CHENG JIANXIAO**

**STUDENT NUMBER:**

**M-A7-6123-2**

|                                                                                                                                                                                                   |            |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| <b>ABSTRACT.....</b>                                                                                                                                                                              | <b>I</b>   |
| <b>KEYWORDS.....</b>                                                                                                                                                                              | <b>III</b> |
| <b>ABBREVIATION .....</b>                                                                                                                                                                         | <b>IV</b>  |
| <b>CHAPTER I INTRODUCTION .....</b>                                                                                                                                                               | <b>1</b>   |
| 1.1 Introductory Remark.....                                                                                                                                                                      | 1          |
| 1.2 Literature Review .....                                                                                                                                                                       | 7          |
| 1.3 Main Objectives.....                                                                                                                                                                          | 10         |
| 1.4 Research Questions.....                                                                                                                                                                       | 11         |
| 1.5 Methodology.....                                                                                                                                                                              | 12         |
| 1.6 Scope and Limitation.....                                                                                                                                                                     | 12         |
| 1.7 Chapter Layout .....                                                                                                                                                                          | 13         |
| <b>CHAPTER II REGULATION OF GOVERNMENT<br/>PROCUREMENT AT NATIONAL AND INTERNATIONAL<br/>LEVELS AND HISTORICAL DEVELOPMENT OF<br/>INTERNATIONAL REGULATION OF GOVERNMENT<br/>PROCUREMENT.....</b> | <b>16</b>  |
| 2.1 The Concept of Government Procurement .....                                                                                                                                                   | 16         |
| 2.2 The Market Context of Regulation of Government Procurement .....                                                                                                                              | 19         |
| 2.3 Regulation of Government Procurement in National Dimension.....                                                                                                                               | 23         |
| 2.3.1 <i>The Importance of Government Procurement for Countries</i> .....                                                                                                                         | 23         |
| 2.3.2 <i>Objectives Pursued in National Regulation of Government Procurement</i> .....                                                                                                            | 25         |
| 2.3.3 <i>The Treatment to Foreign Suppliers under National Regulation of Government<br/>Procurement</i> .....                                                                                     | 32         |
| 2.4 Development of International Regulation of Government Procurement and<br>Rationales behind.....                                                                                               | 34         |
| 2.5 A Comparative Analysis on National and International Regulation of<br>Government Procurement.....                                                                                             | 40         |
| 2.5.1 <i>Disparities in the Objective</i> .....                                                                                                                                                   | 40         |
| 2.5.2 <i>Compatibilities in Some Sustentative Regimes</i> .....                                                                                                                                   | 42         |
| 2.5.3 <i>Summary</i> .....                                                                                                                                                                        | 43         |
| <b>CHAPTER III INTERNATIONAL REGULATION OF<br/>GOVERNMENT PROCUREMENT UNDER THE WTO.....</b>                                                                                                      | <b>45</b>  |

|                                                                                                           |    |
|-----------------------------------------------------------------------------------------------------------|----|
| 3.1 The NT and MFN Obligations for Government Procurement under the WTO Agreements .....                  | 46 |
| 3.1.1 <i>The GATT Disciplines on Government Procurement</i> .....                                         | 47 |
| 3.1.2 <i>Government Procurement under the GATS</i> .....                                                  | 50 |
| 3.1.3 <i>The WTO GPA Rules</i> .....                                                                      | 51 |
| 3.2 Legal Framework of the WTO GPA 1994 .....                                                             | 52 |
| 3.2.1 <i>Coverage and Scope</i> .....                                                                     | 53 |
| 3.2.2 <i>Principles</i> .....                                                                             | 54 |
| 3.2.3 <i>Tendering Procedures</i> .....                                                                   | 54 |
| 3.2.4 <i>Enforcement and Dispute Settlement</i> .....                                                     | 56 |
| 3.2.5 <i>Special and Differential Treatment for Developing Countries</i> .....                            | 57 |
| 3.3 Towards Multilateral Disciplines: Latest Efforts on Government Procurement Issues under the WTO ..... | 58 |
| 3.3.1 <i>Re-negotiations for the WTO GPA 1994</i> .....                                                   | 58 |
| 3.3.2 <i>Attempts from Multilateral Working Group on Transparency in Government Procurement</i> .....     | 61 |
| 3.3.3 <i>Work Conducted by Working Party under the GATS</i> .....                                         | 65 |
| 3.4 Summary.....                                                                                          | 66 |

## **CHAPTER IV CRITICAL REVIEW OF THE WTO GPA AND REFLECTION ON ITS MEMBERSHIP.....67**

|                                                                                                           |    |
|-----------------------------------------------------------------------------------------------------------|----|
| 4.1 Comments on the Legal Framework of the WTO GPA.....                                                   | 67 |
| 4.1.1 <i>The Problematic Approach to Define Covered Entities and Contracts</i> .....                      | 68 |
| 4.1.2 <i>Rigorous Rules on Procedural and Transparency Issues</i> .....                                   | 74 |
| 4.1.3 <i>The Limited Scope for Compensations</i> .....                                                    | 77 |
| 4.1.4 <i>The Inappropriate Balance between Free Trade and Policy Objectives</i> .....                     | 79 |
| 4.2 The Membership of the WTO GPA .....                                                                   | 84 |
| 4.2.1 <i>The Status Quo of the Membership of the WTO GPA</i> .....                                        | 84 |
| 4.2.2 <i>The Reason for Limited Membership of the WTO GPA</i> .....                                       | 85 |
| 4.3 The WTO GPA and Developing Countries.....                                                             | 88 |
| 4.3.1 <i>The Rationale behind Developing Countries' Opposition to the Membership of the WTO GPA</i> ..... | 88 |
| 4.3.2 <i>Accession to the WTO GPA: Disadvantageous or Favorable to Developing Countries?</i> .....        | 92 |
| 4.4 Summary.....                                                                                          | 96 |

## **CHAPTER V REGULATION OF GOVERNMENT PROCUREMENT IN CHINA.....99**

|                                                                                                                                                  |            |
|--------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| 5.1 Rationales behind China's Decision on Reforming Regulation of Government Procurement.....                                                    | 99         |
| 5.1.1 <i>Claim from Transition of the Market System and Economic Development</i> .....                                                           | 101        |
| 5.1.2 <i>Request of the Development of International Trade</i> .....                                                                             | 102        |
| 5.1.3 <i>Demand for Transformation of the Financial System</i> .....                                                                             | 103        |
| 5.1.4 <i>Desire of Chinese Governments for Good Governance and Anti-corruption</i> .....                                                         | 104        |
| 5.2 Development of Legislation and Policies Regarding Regulation of Government Procurement.....                                                  | 105        |
| 5.2.1 <i>The Initiative Stage: from 1996 to 2002</i> .....                                                                                       | 106        |
| 5.2.1.1 <i>The Move for the Bidding Law in China</i> .....                                                                                       | 108        |
| 5.2.1.2 <i>Implementing Provisions of the Bidding Law of China</i> .....                                                                         | 110        |
| 5.2.2 <i>The Second Stage: from 2003 to 2007</i> .....                                                                                           | 111        |
| 5.2.3 <i>The Internationalized Stage</i> .....                                                                                                   | 112        |
| 5.3 The Legal Framework of Regulation of Government Procurement in China .                                                                       | 112        |
| 5.3.1 <i>Policy Objectives and Principles</i> .....                                                                                              | 112        |
| 5.3.2 <i>Scope and Coverage</i> .....                                                                                                            | 114        |
| 5.3.3 <i>Procurement Methods and Procedural Issues</i> .....                                                                                     | 118        |
