2009

Table of Content:

Executive Summary 2

Acknowledgements 3

Chapter 1: Introduction and Research Objectives 6

 1.1 Background 6

 1.2 Statement of Purpose 9

Chapter 2 Literature Review 11

 2.1 Value Chain of IT Processes and Control Processes 11

 2.2 Business Value Dials 15

Chapter 3 Research Hypotheses and Model.....18

 3.1 Scope of Study 18

 3.2 Hypotheses Setting..... 21

 3.3 Research Model 23

Chapter 4 Research Methodology 25

 4.1. Research Method 25

 4.2. Research Sample 25

 4.3. Survey Processes..... 26

 4.4. Measurement of Constructs 27

 4.5. Data Measurement Validation 30

CHAPTER 5 Results.....31

 5.1. Respondents and Sample Profile 31

 5.2. Validity Analysis 32

 5.3. Reliability Analysis..... 34

 5.4. Means, Standard Deviations and Correlations..... 35

 5.5. Test for the Hypotheses 35

 5.6. Summary of Results..... 40

CHAPTER 6 Conclusion and Recommendation 41

 6.1. Findings..... 41

 6.2. Conclusion 42

 6.3. Study Implication and Recommendation..... 43

 6.4 Contribution of Research 44

 6.5. Limitation and Future Research..... 44
