

Brief

In order to illustrate the characteristics of female stylistics in Hong Lou Meng, the stylistics theory will be applied to detail the dialogue characteristics of Lin Dai Yu, Xue Bao Chai and Wang Xi Feng through a comparison of stylistics. Firstly, the theory of the comparison method of stylistics is stated in Introductory. In the sections of "The stylistics comparison of Lin Dai Yu and Xue Bao Chai" and "The stylistics comparison of Wang Xi Feng and Lin Dai Yu", an analysis on these three persons' dialogue and poem is detailed. From this, the difference between their stylistics (including "the same in the difference" and "the difference in the same") can be get. Also, it implies that the stylistics is affected by the character's family background, growth environment and personality. In Conclusion, it implies the effectiveness of stylistics on reading an article.
