

MASTER THESIS OF FACULTY OF LAW

UNIVERSITY OF MACAU

Development of the Regulatory Order of International Air Transport Liberalization and Its Impact on China

SUPERVISOR: PROF. MURUGA PERUMAL RAMASWAMY
STUDENT NAME: LONG JIE
STUDENT NUMBER: M-A6-6120-3
TIME OF SUBMISSION: March 2009

Content

Abstract	4
Keywords.....	6
Chapter I Introduction.....	11
1.1 Introduction	11
1.2 Literature Review	13
1.3 Major Objectives	15
1.4 Research Questions.....	15
1.5 Research Methodology	18
1.6 Scope and Limitation.....	18
1.7 Chapter Arrangement	18
Chapter II The Regulatory Order of International Air Transport	20
2.1 Fundamental regulatory system of international air transport.....	20
2.1.1 Air navigation regulatory order in the Paris Convention of 1919	21
2.1.2 Traffic right issues in the Chicago System.....	21
a) The Chicago Convention of 1944	23
b) The Two Freedom Agreement of 1944	24
c) The Five Freedom Agreement of 1944	25
2.1.3 Regulatory functions of International Civil Aviation Organization (ICAO).....	26
2.2 General principles relating to freedom of the air.....	28
2.2.1 State sovereignty in territorial airspace.....	28
a) The principle of air sovereignty in international air law.....	28
b) Extension of airspace and its international recognition.....	31
c) Legal consequences of air sovereignty	32
2.2.2 Aircraft nationality	33
2.2.3 Obligation to make air navigation more efficient and safer	34
2.2.4 Obligation of non-discrimination between contracting parties	35
2.3 Difference of international air services and freedoms	36
2.3.1 Distinction between scheduled and non-scheduled air services.....	36
2.3.2 Classification of traffic rights	38
2.4 Summary	41
Chapter III Air Transport Liberalization	42
3.1 Introduction	42
3.2 Air transport liberalization in domestic market	42
3.2.1 Air transport industry is considered as a public utility industry.....	42
3.2.2 Air transport deregulation	43
3.2.4 Foreign direct investment (FDI).....	45
3.3 Air transport liberalization of international air services	47

3.3.1 Liberalization of market access.....	47
3.3.1.1 Traffic rights.....	48
3.3.1.2 Ownership.....	49
3.3.1.3 Operational flexibility and pricing freedom.....	53
3.3.1.4 Code sharing.....	54
3.3.2 Safety and security requirements under a liberalized regime.....	56
3.3.3 Competition regulations.....	57
3.4 The barrier to further liberalization.....	62
3.4.1 Aviation industry.....	62
3.4.2 Protectionism.....	63
3.5 Regulatory system toward liberalization of air transport.....	65
3.5.1 Bilateralism.....	66
3.5.1.1 Liberal theory of the international air transport.....	69
3.5.1.2 The legal status of bilateral air service agreements.....	70
a) Negotiation and conclusion of the bilateral air transport agreements.....	70
b) Categories of the bilateral air transport agreements.....	71
3.5.1.3 The Merits and limits of the bilateral system to the further liberalization..	72
3.5.2 The prospects for bilateralism and recent trends to release the bilateral constraint.....	75
3.6 Summary.....	76
Chapter IV Regional Arrangements.....	78
4.1 Trends towards regionalism.....	78
4.2 Inter-governmental regional organizations and agreements.....	79
4.2.1 Regional arrangements in Europe.....	79
a) ECAC.....	80
b) EEC.....	80
4.2.2 AFCAC.....	81
4.2.3 LACAC.....	81
4.3 Regional air transport liberalization experience.....	82
4.3.1 European Community.....	82
4.3.1.1 Internal market.....	83
a) The “1992” program.....	83
b) Liberalization measures in the three packages.....	84
c) Competition rules to aviation industry.....	87
4.3.1.2 External market.....	88
a) The authority of EU to negotiate aviation treaties on behalf of Member States.....	88
b) A Common Aviation Area with the EU’s neighbors.....	93
c) Opening the “European sky”.....	94
4.3.1.3 Obstacles and challenges to the further liberalization.....	95
4.3.2 COMESA.....	98
4.3.2.1 Yamoussoukro Decision.....	99
4.3.2.2 COMESA’s air transport liberalization project.....	100
4.3.2.3 The prospects for air transport liberalization of COMESA.....	102

4.3.3 CARICOM	103
4.3.3.1 The revised treaty of Chaguaramas relative to air transportation.....	103
4.3.3.2 The CARICOM Multilateral Air Services Agreement (MASA).....	104
4.4 Summary	106
Chapter V Multilateral Arrangements	108
5.1 Multilateral Measures	108
5.1.1 Challenges for the existing system.....	109
5.1.2 ICAO's multilateral approach.....	110
5.2 WTO and the international air transport.....	112
5.2.1 The basic GATT concepts on issues of application to air service	112
a) Most favored nation treatment and non-discrimination.....	112
b) Progressive liberalization	113
c) Transparency.....	114
d) Market access	114
e) National treatment	115
f) Increasing participation of developing countries	115
5.2.2 Divergent expectations affecting the results of GNS negotiations relating to air services.....	116
5.3 WTO air service legislation with aims on liberalization.....	118
5.3.1 General Agreement on Trade in Services (GATS) and the Air Transport Services Annex.....	119
5.3.2 Examination mechanism promoting process of WTO air service legislation	120
a) Regarding to the development of international air transport industry	121
b) The implementation of Air Transport Annex of GATS	121
5.3.3 WTO negotiation process of liberalizing international air service.....	122
5.4 Summary	124
Chapter VI Impacts on China's Air Transport Liberalization	126
6.1 Air transport system in China	126
6.1.1 Development of China's air transport system.....	126
6.1.2 Regulatory order of air transport in China.....	128
6.1.3 Explanatory factors	131
a) Weak airlines	131
b) Low income and foreign travel restriction	132
c) Local Protectionism.....	133
d) Lack of international experience	134
6.2 Impacts of global air transport liberalization on China.....	135
6.2.1 Deregulation of Chinese air industry	135
6.2.2 Traffic rights application in China.....	139
6.2.3 Approaches to liberalization and integration	139
6.2.4 Regional Open-Skies of China	141
6.2.4.1 China – US aviation relation.....	141
a) Airline quantity.....	141

b) Route rights	142
c) Capacity and code sharing.....	143
6.2.4.2 China – EU air transport sectoral dialogues	144
6.2.4.3 China, South Korea, and Japan	146
6.3 Air transport liberalization in Hong Kong SAR and Macau SAR.....	147
6.3.1 Development of HKSAR air transport policy	148
a) Impact of the sovereignty change.....	148
b) Regulatory order of air transport liberalization in HKSAR.....	149
6.3.2 Traffic rights application in Macau SAR.....	150
6.4 China’s air transport liberalization after the accession to the WTO	152
a) Economic effect of WTO accession and FDI issues relating to air transport in China	152
b) The Chinese government’s WTO commitments relating to the air services.....	155
c) The insufficiency of Chinese air transport legal system	155
d) Suggestion to improve Chinese air transport legal system for the WTO’s commitments	156
6.5 Summary	158
Chapter VII Findings and Conclusion.....	159
Bibliography.....	170
