

## Abstract

Formed in the period of Qianlong of the Qing Dynasty, the “Siku Quanshu” is the largest series in the China history. The series is quite an accomplishment of the traditional culture and brings together the most influential ancient books and records which were circulated before the period of Qianlong. The compilation of the “Siku Quanshu” is the grandest cultural enterprise and embodies the tradition of “compiling local books in prosperous ages” in the Chinese ancient history. The “Siku Quanshu” collection embraces the unprecedented successful in terms of the scale, the usage of manpower, material resources and time spending. This ambitious editorial enterprise has outstanding position in the history of Chinese ancient text and arouses the most influential impact on academic and the development of ideological cultivation on the former and afterworld.

It has brought a lot of related documents in the process of compilation of the “Siku Quanshu”. At present, Macau libraries are in possession of the “Wengfanggang zuan Siku Tiyao Gao”, the “Wenlangebeng Tingshi”, the earliest photocopy version of the “Siku Quanshu Zhenben Chuji”, various present photocopy versions and the most advanced electronic edition. The “Siku Quanshu” is a gem of Chinese culture. It is a pleasant fact for Macau which the documents of the “Siku Quanshu” have been circulating across Macau, and formed an indissoluble bond between them. As being part of Macau residents, we should treasure and pay much attention to the documents of the “Siku Quanshu” stored in Macau, and we are so proud of having such amazing relationship with this gem in Macau nowadays.

The first chapter of the research explains the cause of the compilation of the “Siku Quanshu”, its gathering process, the contents and the amendment work of it. Moreover, it also introduces the related documents of the “Siku Quanshu” and its possession, circulation and value.

The second chapter focuses on investigating the spreading, the composition circumstances, and the academic value of the “Wengfanggang zuan Siku Tiyao Gao” and the “Wenlangebeng Tingshi” in the Ho Tong Library.

Lastly, the research describes the outlines of several libraries which treasures the related documents of the “Siku Quanshu” and how they exploit and utilize the documents in Macau on the third chapter.

On the basis of knowing the cause and the process of the compilation project of the “Siku Quanshu”, the research is aiming at getting a deeper understanding of the related documents of the “Siku Quanshu” that stored in Macau, and thus we could not only extend the study of them, but also make a thorough investigation and utilization of them, and also enhances the protection condition to the profound collection of the precious documents. Fundamentally speaking, the documents have significant cultural connection between Macau and our great motherland, and provide crucial evidence in reflecting the activation of Chinese civilization, harmony and cultural implication in Macau.
