

Library News -- Publishers Provide Scholarly Content Free on Project MUSE During COVID-19 (2020/03/23)

Dear All,

In response to the challenges created by the global public health of COVID-19, Project MUSE is pleased to support its participating publishers in making scholarly content temporarily available for free on the platform.

There are over 2,000 open access books and a small number of fully OA journals on the MUSE platform:
