

AN ARTICLE ABOUT INCREASING E-RESOURCES ACCESS BY PRISCILLA PUN OF UM LIBRARY PUBLISHED IN IFLA'S PROFESSIONAL NEWSLETTER (2022/01/05)

IFLA Metadata Newsletter from International Federation of Library Associations and Institutions (IFLA) published its December 2021 issue, which includes an article by Priscilla Pun of the UM Library introducing the practice for increasing the access and usage of library e-resources by leveraging and integrating the metadata into its discovery platform. UM Library aims at internationalization of its cataloging works in recent years, as well as promoting the cooperation and communication with libraries worldwide.
