

LIBRARY NEWS — TEMPORARY PHOTOCOPYING AND PRINTING AREA AND LAUNCH OF LIBRARY ROOMS BOOKING SYSTEM (2023/08/15)

Dear Students,

In order to provide a more comfortable learning environment, our library had carried out renovation during the summer break to enhance our learning facilities. We would like to announce the following for facilitating your study and research in our Library:

(1) Temporary Photocopying and Printing Area — We have implemented some convenient solutions to cater to your photocopying and printing needs

Adjacent to the library's Zone A lobby, we have set up self-service photocopying and printing equipment, offering Follow you and Macau Pass payment options for self-service photocopying and printing. This will assist you in quickly handling document tasks at the start of the academic year, facilitating your academic requirements.

(2) Launch of Online Library Rooms Booking System:

We are excited to announce the official launch of our brand new library rooms booking system, allowing you to easily reserve library individual study rooms and group discussion room. You can effortlessly make room reservations through the system.

- **Individual Study Rooms:** Upon successful reservation, you can use your campus card to check in at the reading machine located at the entrance of the individual

study room. You are free to enter and exit the individual study room during your reserved time, enhancing your focused study experience.

- **Group Discussion Rooms:** If you require a group discussion room, simply make a reservation through the system, then proceed to the library's IT counter to check in and get a room card. Within the reservation period, you have the freedom to enter and exit the room. After use, kindly return the room card and get back your campus card.

Experience our new services right away! You can click the "Library Room Reservation" icon on the UM Portal or directly input the following URL in your browser to make a reservation:

<https://lib-booking.library.um.edu.mo>

We look forward to providing you with a more convenient learning experience in the upcoming semester. Should you have any questions or require assistance, please feel free to contact our Library IT Service Team.

Best regards,

UM Library
